#### Camp Royall

"Camp Royall provides typical camp activities, including swimming, arts and crafts, hiking, hayrides, and boating. All activities take place in a structured environment to meet the needs of individuals with autism. Our staff is professionally trained to guide campers through all activities."

#### **Empower Summer Camp**

"EMPOWER Summer Camp is a unique resource for families of children with intellectual and / or developmental disabilities. It is provided in partnership with Trillium Health Resources to address long-standing gaps in social and recreational activities in North Carolina."

#### iCan Bike

"We understand that the vast majority of people with disabilities never have the experience of independently riding a conventional two-wheel bicycle during their lifetime. Research shows that over 80% of people with Autism and 90% of people with Down syndrome never experience this thrill. Defying these odds is why we exist!"

#### iCan Swim

Monday - Friday, July 21st - July 25th

YWCA: 2815 College Rd, Wilmington, NC 28412

"Creating an effective swimming program for people with disabilities takes a patient understanding of each swimmer as well as a well-thought-out plan for how the lessons can be adapted to each child. Ages 3+"

#### iCan Dance

Monday - Friday, August 4th - 8th (1 hour & 15 minutes) "Spend a fun-filled week learning dance routines, building confidence, and making new friends. End the week with a special recital at a local school to showcase your hard work! Registration is now open!"

#### Indo Jax: Summer Surf Camp

"Our summer surf camps are absolutely the best surf camps you'll find anywhere. Our instructors are highly trained, skilled in the ocean, great teachers and very personable. Our equipment is easy to use and lightweight. It's designed to be safe yet also perform well for our smaller surfers."

#### **Surfers Healing**

"Attending our camps positively impacts children with autism; the experience helps instill confidence and calm. Yet over the years we've seen that Surfers Healing also has a profound impact on parents. Autism parents are always hearing about what their children cannot do. But at a Surfers Healing camp, it's all about what their kids can do."

#### **Victory Junction**

"Free from the confines of disease, illness or disability, children discover that they can just be kids! How does this happen? Victory Junction is a medically safe, yet exhilarating camp, that challenges children who have a serious medical condition to try things they never imagined possible."
